Review

Monitoring, Evaluation and Review

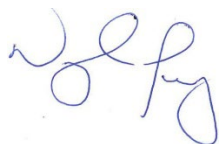

The Senior Leadership Team will annually review this policy and make any further recommendations to the Governing Body.

The Governing Body will monitor the application of this policy and associated procedures in order to ensure its continued effectiveness and compliance.

Chair of Governors:

Date: 10th December 2025

Admission to Nursery

All children living in Blaenau Gwent are entitled to a free part-time education place at the start of the term following their 3rd birthday. This is commonly referred to as a 'Rising 3' place. Admission to ALC nursery settings is usually on a half-day basis for five days per week. If you wish for your pupil to attend nursery provision, you will need to apply for a nursery place via the Blaenau Gwent admissions section of the website (see link below).

[Nursery admissions | Blaenau Gwent CBC](#)

Allocation of Primary School Places at Abertillery Learning Community

In the case of Abertillery Learning Community Primary Phase, the admission authority (Blaenau Gwent Council) is responsible for placing pupils at the Learning Community. These pupils are then allocated a site within the Learning Community by Abertillery Learning Community Leadership team and Governing Body in line with the following criteria:

1. Siblings in the campus already
2. Catchment area
3. Ensuring each session stays within the agreed teacher to learner ratio

Once the site has been confirmed the notification process is then administered by the admissions authority. This process has been established in accordance with the Welsh Government School Admissions Code (2013) point 2.51 which states:

“Where split site schools are in operation, the admission authority should in most cases, apply the admission arrangements as if the school were a single unit. They should make it clear to parents that admission applications are made to the school as a whole and not to a particular site. The site that children attend is a matter for the internal organisation of the school. Appeals cannot be made against the site allocated”.

The Council's School Organisation Policy (2015), advocates having the right schools, of the right size, in the right places. All school organisation proposals are assessed in line with the Council's admissions and pupil place planning arrangements, to ensure that there is sufficient capacity within Blaenau Gwent Schools to accommodate local pupils.

Transition between Pre-School and Nursery

Transition Activity	Information on the planned activity	Timescale
Acceptance letters sent to parents	Campus clerks send out allocation letters once agreed by Heads of Lower School and nursery lead. Parent mail is set up to communicate with new parents.	Half-term before the child starts Nursery.
Cluster meeting	Meeting is held with cluster play groups to hand over information regarding the pupils who are attending their new settings and paperwork handed over. Where appropriate, meetings take place between school and other professionals involved with the child including the Early Years ALN Officer for Blaenau Gwent.	Half-term before the child starts Nursery.
Welcome meeting for parents	Parents attend a welcome event held by school staff in the pupil's allocated nursery. Contact and medical forms are completed alongside uniform orders. Information sheets are shared.	Term before the child starts Nursery.
Stay and play session	Parents and pupils attend an hour-long stay and play session in their allocated nursery. Additional settling in sessions may be arranged for children as required.	Half-term before the child starts Nursery.
Parent communication	Class Dojo is set up for families as a way of communicating with staff prior to the pupils starting nursery. Clerks set up electronic medical and contact forms.	Half-term before the child starts Nursery.
Home visits	Nursery staff visit the pupils at home and complete an outline questionnaire of the pupils with any important details about the child.	Half-term before the child starts Nursery.

Admission to Reception

<https://www.blaenau-gwent.gov.uk/en/resident/schools-learning/school-admissions/reception-admissions/>

Attending a nursery class does not give your child priority for a place in the reception year group at any primary school, a separate application is required following the link above. Allocation of Primary School Places at Abertillery Learning Community will follow the policy outlined above.

Admission from Year 6 to Year 7

If a pupil attends Tillery Street, Roseheyworth Road or Six Bells they will automatically be granted a place at Alma Street Campus for Key Stage 3 and 4 provision. However, if you choose to apply for a place outside of Abertillery Learning Community and this is not granted, you will then need to apply for a place at Alma Street and therefore risk the possibility of not being allocated a place if the year group is full. If your pupil attends a primary school outside of the Learning Community you will need to follow the admission process set out by the local authority.

In School Year Admissions

[Changing schools | Blaenau Gwent CBC](#)

If a pupil joins Abertillery Learning Community within the school year, we will offer the pupil the opportunity to look around the school environment, meet their teacher and some of their peers prior to joining the class. Dependent on individual needs, the school may discuss reasonable adjustments to the pupil's timetable with parents to support the settling in process. Allocation of Primary School Places at Abertillery Learning Community will follow the policy outlined above.

Special Diets

To request a special diet, please complete the [special diet request form](#) and return it to the address at the bottom of the form.

Once the Catering Department and Dietitian have received the form, you will either receive a special diet menu for your child by post/email or they will contact you to discuss your child's requirements in more detail before sending a menu out to you. Please allow up to 3 weeks for your menu to arrive.

To protect the health of your child, the Catering Department request that you provide your child with a packed lunch from home until you have received a confirmed start date.

Appendix 1

The below table identifies which campus your pupil will attend based on the catchment areas within Abertillery across 3-16

Catchment area		
Street Name	Postcode	Campus
ADAM STREET	NP131EX	Tillery Street
