8. Exam Contingency

The priority when implementing contingencies will be to maintain three principles:

- delivering assessments to published timetables
- delivering results to published timetables
- complying with regulatory requirements in relation to assessment, marking and standards.

The national examination timetable applies to GCSEs, AS levels, A-levels.

a. Disruption of teaching time – centre is closed for an extended period

Where there is disruption to teaching time and students miss teaching and learning, the centre will ensure learners are prepared, as usual, for examinations.

- In the case of modular courses, centre may advise learners to sit examinations in the next available series
- Centre will have plans in place to facilitate alternative methods of learning.

b. Learners unable to take examinations because of a crisis - centres remain open

- In the event of learners being unable to attend the centre to take examinations as normal, the centre will liaise with learners to identify whether the examination can be sat at an alternative venue in agreement with the relevant awarding organisations. JCQ guidance on alternative site arrangements can be accessed through the JCQ website.
- centre will offer candidates an opportunity to sit any examinations missed at the next available series
- centre will apply to awarding organisations for special consideration for candidates **where they have met the minimum requirements**. JCQ guidance on special consideration can be accessed through the JCQ website.

c. Centre unable to open as normal during the examination period

If the centre is unable to open as normal for examinations, they will inform each awarding body with which examinations are due to be taken as soon as is possible. As part of general planning for emergencies, the centre will cover the impact on examinations. The head of centre will decide whether it is safe for the centre to open. The head will take advice, or follow instructions from relevant local or national agencies in deciding whether the centre is able to open.

- centre will open for examinations and examination candidates only, if possible
- centres will use alternative venues in agreement with relevant awarding organisations (e.g. share facilities with other centres or use other public building, if possible)
- centres will offer candidates an opportunity to sit any examinations missed at the next available series
- centres will apply to awarding organisations for special consideration for candidates where they have met the minimum requirements

d. Disruption to the transportation of completed examination scripts

- If there is a delay in normal collection arrangements for completed examination scripts the centre will seek advice from awarding organisations and collection agency regarding collection. Centre will seek approval from awarding bodies before making their own arrangements for transportation.
- centre will ensure secure storage of completed examination scripts until collection.

e. Centre unable to distribute results as normal

If the centre is unable to access or manage the distribution of results to candidates, or to facilitate post results services, centre will **contact awarding organisations about alternative options. i.e.:**

- centre will make arrangements to access its results at an alternative site
- centre will make arrangements to coordinate access to post results services from an alternative site
- centre will share facilities with other centres if this is possible.

f. Exams officer absent at a critical stage of the examination cycle

In the event of the examinations officer being absent at a critical stage of the examination cycle, in order to minimise risk to examination administration and avoid any adverse impact on students, centre will:

- Refer to the Exam Entries / Exam Day Contingency Plan (as maintained by EO)
- Consult with ABs when necessary

g. COVID related conditions

Exams to be conducted in line with the centre health & safety policy.

Reminders given to candidates and invigilation staff regarding face coverings, social distancing and hand washing and sanitising.

For the January 2022 series only – Where it is not possible for the centre to meet the standard requirements, exams may be conducted on a 1:40 basis for written assessment exams and 1:30 for practical assessments.

9. Candidates, Clash Candidates and Special Consideration

9.1 Candidates

The centre's published rules on acceptable dress, behaviour and candidates' use of mobile phones and all electronic devices apply at all times.

Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.

Disruptive candidates are dealt with in accordance with JCQ guidelines.

Candidates may leave the exam room for a genuine purpose requiring an immediate return to the exam room, in which case a member of staff must accompany them.

The Exams Officer will attempt to contact any candidate who is not present at the start of an exam and deal with them in accordance with JCQ guidelines.

9.2 Clash Candidates

The Exams Officer will be responsible as necessary for identifying escorts, identifying a secure venue and arranging overnight supervision if required.

9.3 Special Consideration

Should a candidate be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, it is the candidate's responsibility to alert the centre, or the exam invigilator, to that effect.

It may be relevant for a special consideration claim to be supported by appropriate evidence, for example a letter from the candidate's doctor. All claims will be made electronically (were possible – paper based otherwise) by the Exams Officer within five days of the exam.

10. Coursework / Controlled Assessment / Non-Exam Assessment and Appeals against Internal Assessments

10.1 Coursework / Controlled Assessments / Non-Exam Assessments

Candidates who have to prepare portfolios should do so by the end of the course or centre-defined date.

Heads of Department will ensure all coursework / controlled assessments / non-exam assessments are ready for despatch at the correct time and the Exams Officer will keep a record of what has been sent when and to whom.

Marks for all internally assessed coursework / controlled assessments / non-exam assessments are inputted on the relevant awarding bodies secure websites by subject teachers / Heads of Department. Where electronic input of marks is not available then teachers / Heads of Department should ensure relevant document/s are delivered to the exams office for return to moderator in a timely fashion.

10.2 Appeals against Internal Assessments

The centre is obliged to publish a separate procedure on this subject, which is available from the exams office and must be available for inspection purposes.

The main points are:

- Appeals will only be entertained if they apply to the process leading to an assessment. There is no appeal against the mark or grade awarded
- Candidates may appeal if they feel their work has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification
- Appeals should be made in writing by 30 June to the Head of Centre (or other nominee) who will decide whether the process used conformed to the necessary requirements
- The Head of Centre's findings will be notified in writing, copied to the Exams Officer and recorded for awarding body inspection.

11. Results, Enquiries about Results (EARs) and Access to Scripts (ATS)

11.1 Results

Candidates will receive individual results slips on results days in person at the centre or by email on request.

Arrangements for the school to be open on results days are made by the Head of Centre.

The provision of staff on results days is the responsibility of the Head of Centre.

11.2 EARs (Enquiries about Results)

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking.

When the centre does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged. (See section 5: Exam fees)

If a candidate requires an EAR they must complete the relevant paperwork to allow the Exams Officer to make the necessary application.

11.3 ATS (Access to Scripts)

After the release of results, candidates may ask subject staff to request the return of papers within three days' scrutiny of the results.

If a result is queried, the Exams Officer, teaching staff and Head of Centre will investigate the feasibility of asking for a review of marking at the centre's expense.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

GCSE review of marking cannot be applied for once a script has been returned.

If a candidate requires an ATS they must complete the relevant paperwork to allow the Exams Officer to make the necessary application.

12. Certificates

Certificates may be presented in person or collected and signed for by the candidate.

Certificates may not be collected on behalf of a candidate by a third party unless the correct consent form has been completed and signed by the candidate.

Certificates may not be withheld from candidates who owe fees.

The centre retains all unclaimed certificates under secure conditions for a minimum of 12 months from the date of issue.
