

Acceptable Use agreement for Hwb

Remember, anything you do on Hwb should have an educational purpose.

- Be polite - don't upset or bully anyone.
- Be safe – don't tell anyone where you live or what your phone number is.
- If you feel upset or bullied, tell a teacher right away.
- Be careful what you say and how you say it. What you do and say on Hwb is recorded and will be viewed by other people including your teacher.
- Be security smart - keep your username and password safe.
- Only link to other websites if you are sure they are safe to visit and are appropriate for your classmates and friends.
- Only send and open emails if told to by your teacher. If you are unsure, always check with your teacher first.
- I understand that all of my work can be seen by my teacher.
- I understand that I must follow these rules or I might be in trouble.

I agree with what I have read above and/or what my teachers have told me about using Hwb properly.
